

EXECUTIVE APPOINTMENTS

Parirenyatwa Group of Hospitals is pleased to announce the appointment of two distinguished professionals to its executive leadership team, reinforcing our commitment to operational excellence and clinical innovation.

Mr Tonderai Innocent Mangwi
Clinical Director

Mr. Mangwi is a seasoned Urological Surgeon with 20 years of experience in clinical practice, academic medicine, and healthcare management. He trained at the University of Zimbabwe and further specialized in reconstructive urological surgery at University College London.

He has served as a lecturer in Urological Surgery, a consultant in public health interventions, and sits on the boards of two healthcare organizations. His leadership will enhance clinical governance and patient-centered care at Parirenyatwa Hospital.

Mr Godwin Tauya
Director of Operations

Mr. Tauya brings over 17 years of experience in public health administration, having served in key leadership roles across district, hospital, and provincial levels. Most recently, he was Provincial Health Services Administrator for Mashonaland West, where he led strategic planning, quality improvement, and risk management initiatives.

He has contributed to national policy development, including the National Health Insurance Bill and the Basic Health Package, and holds advanced qualifications in Big Data Analytics, Health Services

We congratulate Mr. Tauya and Mr. Mangwi on their appointments and look forward to their contributions in advancing the hospital's mission to deliver world-class healthcare to the nation.
